

INVESTIGATION Supplement

Name: MCMILLAN, SHAWN

Case#: 5010974

Investigator: Louise A. Bell

Date: September 4, 2001

I received a telephone call from Sgt. Al McKenzie of the Tarpon Springs Police Department stating that they have processed the shirt from the off-duty Corrections Officer who was reportedly sitting in the front seat of the vehicle in which the decedent was shot. There was no blood spatter on this shirt which is consistent with the account given. There will be no charges filed in this case and Sgt. McKenzie reports that they suspect no foul play.

The gun involved was a Sundance Laser .25 caliber semiautomatic handgun, serial number 088909. One live round was in the chamber and three live rounds were in the magazine.

I informed him that per Dr. Siebert, the wound to the decedent's head was a contact gunshot wound and Dr. Siebert stated this death would be classified as "suicide".
