Approached her boyfriend and told him if he had a problem with him that he needed to come and tell him, that he would take him outside and kick his ass. Swailes advised that Nordmark and his friends left the bar and shortly after three phone calls were made to the bar. Swailes advised the first two calls were answered by Ed Werda, (see Pinellas Sheriff's Office report #02-39493) and she answered the third call. Swailes advised a male caller stated, "I know where you work bitch" and hung up. Swailes felt threatened by the caller and feels Nordmark had something to do with the anonymous calls.

Investigator Steve Porter subpoenaed phone tolls for the business phone (727-784-9687) located at the Palms Bar and Grill on 02/22/02.
