<p>CASE SUMMARY: This case occurred on 09/02/2001 and FDLE was requested to exam the interior of the vehicle for any blood spatter and items of evidentiary value relating to this crime scene. The vehicle had been detailed on 09/04/2001. Three (3) intoxicated subjects were traveling in the vehicle and were passing a weapon when the victim in the rear seat received a gunshot wound to the right side front forehead area. The victim was transported to a medical facility and later expired.</p>
